

**Triangle Uplift Foundation and Triangle Martin Luther King Jr. Committee  
Presents  
Youth Innovation Summit 2019**

The Triangle Uplift Foundation is proud to partner with the Triangle Martin Luther King, Jr. Committee to sponsor a Youth Innovation Summit on Saturday, January 19, 2019 at Cary Academy in Cary, NC. The Summit will provide a rich, collaborative environment immersing students in innovative ideas and hands-on programming that will ignite their interests and help them see pathways to a successful future in S.T.E.A.M.-related fields of study. Our goal is to reach minority, female, and other underrepresented students by providing an opportunity to increase students' confidence and identity, and to inspire them to be future innovators. The event will target 5<sup>th</sup> through 12<sup>th</sup> grade students in the Triangle area.

Life changing decisions are influenced by the experiences that we are exposed to. For youth to succeed in life, they need access and opportunities. For our inaugural event in January 2018, we served 230 students and 115 parents. More importantly, we awarded four \$5000 scholarships to deserving students. We achieved this success with the collaboration and support of our partners and sponsors.

With support from sponsors like you, we are looking forward to building on the success and expanding our programming in order to reach more students and parents. We want to continue to offer this enriching experience to attendees at no charge. We invite you to participate as a sponsor and ask you to review the ways that you can help.
